Date: _____

Important facts about Grade 11 at UNITY Christian High School, 2011-2012

Students are responsible to fulfill the requirements of the UNITY Christian High School diploma and the Ontario Secondary School diploma to graduate. In terms of the grade 11 year, these are (see STUDENT HANDBOOK for more details):

- successful completion of the grade 11 Bible course,
- successful completion of a senior PE course,
- successful completion of grade 11 English and Mathematics,
- successfully complete the grade 10 Literacy test (or the grade 12 Literacy course),
- involvement in at least one co-curricular activity throughout the four years,
- complete 40 hours of UNITY FOR CHRIST service throughout the four years,
- successful completion of the 30 credit requirement of the OSSD throughout the 4 years,

These are the compulsory OSSD credits:

- 4 English (1 credit per grade)
- 1 French as a second language
- 3 mathematics (at least 1 credit in Grade 11 or 12)
- 2 science
- 1 Canadian geography
- 1 Canadian history
- 1 arts
- 1 physical and health education
- 1 (Group 1) additional credit in English, or French as a second language**, or a Native language, or a classical or international language, or social science and the humanities, or Canadian and world studies, or guidance and career education, or cooperative education***
- 1 (Group 2) additional credit in health and physical education, or the arts, or business studies, or French as a second language, or cooperative education***
- 1 (group 3) additional credit in Grade 11 or 12 science, or technological education, or French as a second language** or computer studies, or cooperative education***
- 0.5 civics
- 0.5 careers

** In groups 1, 2 and 3, a maximum of 2 credits in French as a second language can count as compulsory credits, one from group 1, and one from either group 2 or group 3.

*** A maximum of 2 credits in cooperative education can count as compulsory credits.

- In addition, 12 elective credits must be selected from available courses.

1. Each grade 11 student will choose 7 to 9 credits from the list on the reverse of this sheet:

Part A: You must choose one English course and one Mathematics course.

Part B: This course is compulsory.

Part C: From this list, choose at least four, preferably five credits. Then, beyond that, indicate your other two alternate choices by writing FIRST ALTERNATE, and SECOND ALTERNATE beside two other courses.

Part D: You are encouraged to choose ½ or one full credit from this list.

2. Most courses in Grades 11 and 12 meet for a full semester, c.70 minutes per day (for example: English); some courses will be taught through the full year, meeting c.40 minutes day (choir or instrumental music).

3. Course types: **University preparation courses** will provide you with the knowledge and skills necessary to meet the requirements for entrance to university programs. These courses are designated with a "U" in the course code.

University/college preparation courses will provide you with the knowledge and skills necessary to meet the requirements for entrance to university and/or college programs. These courses are designated with a "M" in the course codes.

College preparation courses will provide you with the knowledge and skills necessary to meet the requirements for entrance to college programs. These courses are designated with a "C" in the course codes.

Workplace preparation courses will provide you with the knowledge and skills necessary to meet employers' expectations with regard to preparation for direct entry to the workplace. These courses are designated with a "E" in the course codes.

Open courses are not developed to meet the specific requirements of universities, colleges or the workplace, but are intended to enrich your lives and to prepare you for active and rewarding participation in society. These courses are designated with an "O" in the course codes.
